

WRITING POWERFUL SENTENCES

(PRESENTATION FOR 2ND GRADE STUDENTS)

- I. Meet Kathy J Perry, author/illustrator/publisher of the [Bandana Acres](#) series. (5 min.)
- II. Words, words, words... (25 min.)
We'll start with a simple sentence (noun/verb). To make it interesting, we'll ask who, what, where, when, how questions with an interactive bean-bag game. Finally, we'll add spice by adding describing words from the five senses for a super-punch. Your class will love building great sentences! Every presentation is just as different as each child's imagination.
- III. She will read aloud one chapter from whichever Bandana Acres book the children select by popular vote. (10 min.)
- IV. Wrapping up: (5 min.) Kathy will ask if there are any questions and finally distribute free bookmarks. Book signing is optional.
